Email: FOIARequests@cdc.gov
Phone: 770-488-6277
Fax: 770-488-6200

Dear Roger,

I require access to general records, as per the *Freedom of Information Act*.

Description of Required Records

All studies and/or reports in the possession, custody or control of the Centers for Disease Control and Prevention and/or the Agency for Toxic Substances and Disease Registry wherein the alleged **SARS-COV-2 "genome" was sequenced** and:

- the researchers attempted to assemble the same "genome" using similar clinical samples taken from healthy people as controls, and/or
- the researchers attempted to assemble the same "genome" using similar clinical samples taken from people with other health issues as controls.

Publicly available records:

If any records match the above description of requested records and are currently available to the public elsewhere, please provide enough information about each record so that I may identify and access each one with certainty (i.e. title, author(s), date, journal, where the public may access it). Please provide URLs where possible.

Format:

Pdf documents sent to me via email; I do not wish for anything to be shipped to me.

Contact Information:

Family name: Massey
Given name: Christine
Email: cmssyc@gmail.com

Thank you in advance and best wishes,
Christine Massey, M.Sc.

Dear Ms. Massey:

The Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) received your attached Freedom of Information Act (FOIA) request dated October 5, 2022 on October 6, 2022 (request attached). Your request assigned number is 23-00036-FOIA, and it has been placed in our simple processing queue.

Because you are considered an "Other requester" you are entitled to two hours of free search time, and up to 100 pages of duplication (or the cost equivalent of other media) without charge, and you will not be charged for review time. We may charge for search time beyond the first two hours and for duplication beyond the first 100 pages. (10 cents/page).

If you don't provide us with a date range for your request, the cutoff date for your request will be the date the search for responsive records is initiated.

You may check on the status of your case on our FOIA webpage <https://foia.cdc.gov/app/Home.aspx> by entering your assigned request number. If you have any questions regarding your request, please contact Mark Harper at 770-488-8154.

We reasonably anticipate that you should receive documents by November 14, 2022 if not sooner. . Please know that this date roughly estimates how long it will take the agency to close requests ahead of your request in the queue and complete work on your request. The actual date of completion might be before or after this estimated date.

Sincerely,

Roger Andoh
CDC/ATSDR FOIA Officer

[REDACTED]
Via email: cmssyc@gmail.com

Dear Ms. Massey:

This letter is in response to your Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) Freedom of Information Act (FOIA) request of October 5, 2022, for:

All studies and/or reports in the possession, custody or control of the Centers for Disease Control and Prevention and/or the Agency for Toxic Substances and Disease Registry wherein the alleged SARS-COV-2 "genome" was sequenced and:

- *the researchers attempted to assemble the same "genome" using similar clinical samples taken from healthy people as controls, and/or*
- *the researchers attempted to assemble the same "genome" using similar clinical samples taken from people with other health issues as controls.*

A search of our records failed to reveal any documents pertaining to your request.

You may contact our FOIA Public Liaison at 770-488-6246 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you are not satisfied with the response to this request, you may administratively appeal to the Deputy Agency Chief FOIA Officer, Office of the Assistant Secretary for Public Affairs, U.S. Department of Health and Human Services, via the online portal at <https://requests.publiclink.hhs.gov/App/Index.aspx>. Please mark both your appeal letter and envelope "FOIA Appeal." Your appeal must be electronically transmitted by March 8, 2023.

Sincerely,

Roger Andoh
CDC/ATSDR FOIA Officer

Thank you Mr. Harper;

this is further proof that the CDC relies on pseudoscience, and further evidence that everything to do with "covid-19" is based on delusion, misconception, misinterpretation, ignorance, incompetence, incomplete information and/or intentional fraud as per my notarized and un rebutted declaration dated the 2nd day of December, 2022, attached;

written in good faith, without recourse;

by: Christine: Massey
